Improve your career options

Develop your skills

No upfront fees

If you are aged 19 or over and are thinking of improving your career options you can cover the cost of tuition fees with an Advanced Learning Loan. Repayments don't begin until you finish the course and are earning at least £21,000.

This loan can fund many Level 3 & 4 courses, including Access courses, Diplomas, Extended Diplomas and Advanced & Higher Apprenticeships.

If you are 19 or over you can apply from May 2016 for an Advanced Learning Loan, for courses starting on or after 1 August. Loan eligibility doesn't depend on your income and there are no credit checks.*

What's more, students who complete an Access to HE Diploma and then go on to complete a degree have their Advanced Learning Loan written off.

Andrew Roffe benefited from an Advanced Learning Loan to help him realise his dreams – now you can do the same from 19+

Although for 6 years I worked for a butchers on Marylebone High Street, my true ambition was always to work with animals in a zoo.

After a couple of unsuccessful applications to the Zoological Society of London (ZSL) I asked for feedback and was advised I needed to get a relevant qualification and was recommended Sparsholt College – so here I am!

As I come from West London the only way to study at Sparsholt was to live on site and that's where the loan has proved so invaluable. It has enabled me to pay for my accommodation and food and generally keeps me afloat so I'm not having to rely on my family.

After Sparsholt I'm off to Salford University in Manchester to study BSc Wildlife, Conservation and Zoo Biology, following which I will be re-applying to ZSL.
