Procedure for Non-payment of Accommodation Fee

The procedure set out below will apply for non-payment of the Accommodation Fee

Rejected instalments

Where there is an unpaid instalment the debtor is chased via email and/or telephone to bring their account up to date. Where no contact/payment is received at the time of the call a first reminder letter is sent allowing 14 days to pay. Payee is advised that where no contact is made within 14 days to bring the account up to date, the payment plan will be automatically amended to take into account the missed instalment. Unless agreed the monthly payments will be increased, the plan will not be extended.

Where no contact is made within 14 days to bring the account up to date, the payment plan will be amended to take into account the missed payment. A letter will be sent advising the payee of the new payment plan instalments.

Second rejection

Where a second unpaid instalment occurs the payment plan will be cancelled and the debtor will be contacted via email and/or telephone for full payment. Where no contact/payment is received at the time of the call a letter is sent allowing 14 days to pay in full or bring the account back up to date and reinstate the payment plan.

Failure to comply

If account remains unpaid a second letter is sent and the students tutor is advised of the situation. Notice will be given that the Accommodation agreement may be terminated and the account passed to the college's debt collection agency unless the arrears are covered or an acceptable payment proposal and confirmation to meet future instalments on time is received within 10 working days.

Accounts that remain overdue on expiry of the notice period will be referred to the Residential Support Manager of Sparsholt College to confirm termination of Accommodation.

If the Agreement is terminated for non-payment of the Accommodation Fee, the student will remain liable for the outstanding amount.
