# WELCOME

The Sparsholt College Group is here for you whether you are looking for a skills boost, a change of direction, to get back into employment – or simply a stimulating pastime.

Browse our wide range of courses and find something new to suit you – from one day courses or flexible online learning to longer part-time higher education programmes. Taught by experts in industry-standard facilities at our Sparsholt and Andover campuses, this high quality training will give you the best possible skills in a huge choice of areas.

We can guide you through the funding that may be available to pay for some or all of your learning. If you are 19 or older and fulfil government conditions you could be entitled to a funded course and study for free – check our websites to see if you are eligible.

We look forward to welcoming you soon.

## Advanced Learner Loan

More and more people are heading back to learning especially now they can access funding support through Advanced Learner Loans for courses from Level 3 to 6 like Access to Higher Education courses and Diplomas. The loans are available to students aged 19 and over, cover tuition fees and are paid back once the course is completed and you're earning more than £25,000 a year, so there is no upfront cost. Plus, if your loan is for an Access course and you then go on to complete a full degree, your loan for the Access course will be written off.

**“I funded my Access course through an Advanced Learner Loan — it was easy to apply for online and it came through quickly.”**

Find out more at [gov.uk/advanced-learner-loan](https://gov.uk/advanced-learner-loan)

## Paying for your course

Course fees are listed against each course and you can pay using the following methods:

Debit or credit card

Invoice/BACS payment

## Help with childcare

If you're under 20 and have a child you may be eligible for help with Ofsted-registered childcare and some travel expenses through the Care to Learn scheme. Further details can be found at [direct.gov.uk/caretolearn](https://direct.gov.uk/caretolearn) or from the National Careers Service.

If you're 20 or over and have a household income of less than £35,000 childcare support may be available from the college.

## Additional funding

If your household income is under £35,000, the college may be able to help with the costs of travel, books, equipment or any other cost which may make it difficult for you to attend college.

Visit [andover.ac.uk](https://andover.ac.uk) or [sparsholt.ac.uk](https://sparsholt.ac.uk) and search for finance and funding for more information.

## Apprenticeships

Apprenticeships are a great way to earn money and gain a nationally recognised qualification through a mix of training in college and in the workplace. Sparsholt and Andover campuses work with over 1,100 employers across more than 40 different industries, offering standards from A (accounts/finance assistant) to Z (zookeeper and aquarist)!

For current apprenticeship vacancies and to learn more, visit [apprenticeships.gov.uk](https://apprenticeships.gov.uk) or contact the Apprenticeships Team at:

✉ [apprenticeships@sparsholt.ac.uk](mailto:apprenticeships@sparsholt.ac.uk)

☎ 0845 850 0916

**I'd highly recommend doing an arborist apprenticeship at Sparsholt College. It's brilliant because you're learning the theory side at college, from tree identification to legislation, but also earning money and learning practical skills.**

# ACCESS TO HIGHER EDUCATION

Missed out on taking your education to degree level? These one year courses prepare you to study at degree level if you do not currently have the qualifications to apply. They are specifically designed to give you the foundation skills and knowledge to go on and study a university degree.

- All of our tutors are highly skilled, qualified and knowledgeable
- We have excellent pastoral support to help you during your time at college
- We provide tailored support for progression to university courses
- Our outstanding teaching will help you make exceptional progress

You will need to have either English or maths at GCSE (or Level 2 equivalent) and will be offered the opportunity to study the other if required.

**“The support you get at University Centre Sparsholt is absolutely incredible and I think that’s one of the reasons I’m really happy I chose to come here. Everyone has been incredible at helping me move forward with things like work experience or support with assignments. I couldn’t have picked a better place.”**

**Amy**, Access to Higher Education Land-based Studies

## ANDOVER

- Nursing and Healthcare
- Science
- Social Work and Social Science

The diploma provides an intensive programme covering study skills and knowledge required for chosen career paths, and delivers a qualification recognised by universities. Successful students have gone on to study social work, dental hygiene, primary school teaching, paramedical science, midwifery and mental health nursing. The course can also open doors to areas of study such as veterinary medicine, history, criminology and law.

We provide a supportive ‘family friendly’ environment with great ICT facilities. Lectures are delivered in small groups and you will have a personal tutor.

## SPARSHOLT

- Land-based studies

This course is specifically designed to give you the foundation skills and knowledge for studying a land-based degree, with 95% of students progressing to degree studies (2020). It includes elements of chemistry, plant and animal biology and ecology, together with providing the knowledge and support needed to be able to carry out and present a small-scale research project. You will study a range of core subjects and follow some specialist units in either animal studies, equine studies, ecology and conservation or fishery studies.

This course gives you UCAS tariff points for entry to University. Most students will progress to a relevant degree at Sparsholt and you will be supported by your tutors.
